

A Smart Semi Personal Site Office

DURRA Easikit

**For a convenient, rock solid yet movable site office
Select the Prefabricated Barrack Kit from Durra**

A site office that's so strong and so easy to install, Durra Easikit is an extremely versatile structural invention you can take from site to site and reinstall when you move your project office around.

It can be made to suit specific applications and design requirements. It is durable and combines the benefit of dry, lightweight with different surface applications and the practicalities of traditional finishes, and come at a remarkably competitive price.

Durra is a 100% Sri Lankan product combined with the latest Australian Technology. It is an exciting revolutionary new structural development with proven application and construction techniques.
